Statement of Applicability - Effective 10 November 2020

Among our many services, ICF Macro, Inc., with the participation of its corporate affiliate ICF Incorporated, L.L.C. (collectively referred to as "ICF"), offers full-service quantitative and qualitative survey research services to government, commercial, and nonprofit clients primarily located in the US. The firm is headquartered in Fairfax, VA; this certification covers the domestic Survey Research (SR) and Survey Operations (SO) Practices managed from our Rockville MD, and Burlington, VT offices, with data collection operations in Martinsville, VA, Bryan, TX, and Seattle, WA, along with virtual call centers in multiple locations.

The Survey Research (SR) and Survey Operations (SO) Practices have elected to include sampling, fieldwork, self-completion, and data management and processing to be attested to International Standard ISO 20252: 2019 in accordance with Annexes A, B, E, and F. ICF has elected to exclude Annex C physical observation and Annex D digital observation from the attestation. Details of ICF's attested annexes are described as follows:

Annex A – Sampling including access panels: We offer comprehensive sampling services including both probability and non-probability samples

Annex B – Fieldwork: We offer field work services including telephone interviewing, face-to-face interviewing, and qualitative participant recruiting.

Annex E – Self-completion: We offer self-completion data collection survey modes including online/web, IVR, text and mail/paper surveys.

Annex F – Data management and processing: We offer comprehensive data management and processing services.
